## ABOUT ME

"Knowledge is what we can gain from our experiences, but wisdom is what we can gain from others who have already had those experiences," Benton T. Thompson III says. In his gentle tone and with a lighthearted smile, he adds "knowledge is sitting in bumper-to-bumper traffic, but wisdom is taking an alternative route because you listened when someone said the highway was bumper to bumper."

If you are seeking wisdom and/or truth, you've come to the right place. Benton T. Thompson III is a captivating author and speaker with a keen loving heart, who wants to assist in helping seekers find the truth.
